VOLUME 8.

ROSWELL, NEW MEXICO, SATURDAY EVENING, JUNE 4, 1910

NUMBER 79

## "Swayed by the Sense of Oughtness"

A Real Message to Men who have Red Blood.

### SUNDAY NIGHT--BAPTIST CHURCH.

8:00 P. M., JUNE 5, 1910.

The greatest man in Roswell, and the strongest, is he who says: "I OUGHT, and therefore I MUST." Blunted is the point, turned is the edge, gone is honor, lost is hope, when a man is no longer driven by duty. Give conscience the right-of-way. Obligation sounds the order, "Full Steam and Straight Ahead!" Gen. Robert E. Lee told his soldiers that the finest word in the English language is "Duty."

## SEVERE FIGHTING TAKING

### PLACE IN NICARAGUA.

Bluefields, Nic., June 4.—Advices received here state that the insurgent force under General Mena, at Rama, has defeated and put to flight the government troops under General Chavarria.

When the Madriz forces under General Lara were withdrawn from the vicinity of Bluefields, General Chavarria, with four hundred men was dispatched to reinforce General Mena. The demand that the government troops surrender was met with a charge from a fortified position, which ended after three hours fighting in the utter demoralization and flight of the government forces.

It is believed that by this time General Mena has surrounded and captured Chavarria's army.

San Juan del Sur, Nic., June 4.—William D. Pittman, the American who laid the mines at Bluefields for the insurgents, was captured by the government troops and will be tried by court martial.

Pittman was wounded and captured during the assault and capture of Bluefields' Bluff. He formerly lived in Boston.

Washington, June 4.—The State Department has taken cognizance of Associated Press dispatches that William Pittman, American, captured by Madriz's troops, will be tried by court martial. A telegram to the Madriz government is being sent, stating that this government expects fair and humane treatment of Pittman.

## JURY FINDS MUSGRAVE NOT

GUILTY: HIS STATEMENT.

"Not guilty" was the verdict of the jury that tried in district court the case of George Musgrave, who was charged with murder for killing George Parker at the Circle Diamond round-up 25 miles southwest of Roswell on Monday, October 9, 1896. The verdict was brought in 45 minutes after the case was placed in the jury's hands. It was reached on the second ballot, the first vote having stood nine for acquittal and three for conviction. The defendant was discharged from further attendance by the court.

The case was on trial about a week and attracted wide attention. The work of securing a jury occupied all of Friday and Saturday morning of last week. The taking of evidence was started at noon last Saturday and was continued through the week until eleven o'clock Thursday morning. Then came the argument, which lasted until 2:30 yesterday afternoon. On the jury were the following citizens: B. H. Dietrich, Charles Shepherd, J. W. Talley, J. S. Kennedy, E. S. Mundy, J. Q. Cummings, L. B. Craig, J. H. Hall, W. L. Heltman, C. W. Waltman, Ernest Burns, and E. B. Evans.

The defense was represented by Gatewood & Graves and O. O. Asken and the prosecution was conducted by L. O. Pullen, district attorney assisted during the trial by J. M. Hervey.

Following is what Musgrave has to say to the people on the trial and of his case:

To the people of Roswell and Chaves county.

During my troubles here I have been unable to express to the many persons, both friends and strangers, who have found it in their hearts to give me a kind word.

I now wish in this way, to thank each and every one of them; to assure them that I shall never forget their kindness, and that their sympathy was not undeserved.

I want to thank the jury of honest men who had the courage to render the verdict they did, and to tell them that it was impossible for me to avoid doing as I did, and that my conscience is clear in the sight of heaven.

It is a fact that I did some things in that connection which any foolish, frightened boy might have done under the same circumstances, and for those things, through all these long years, I have been very sorry. I want to say to the people who have manifested confidence in me and sympathy for me that it is my intention to live here and show to them that my expressed wish to lead an honest life and be an upright, law-abiding citizen was not mere talk, but is the deep-seated purpose of my life.

I think I can successfully do this, now that the shadow that has hitherto handicapped me has been removed, and I intend, by the Grace of God, to compel by the uprightness of my life, the respect even of my enemies, if I have any, and to show that my regard for law is second to no man's.

Sincerely and gratefully,  
GEO. MUSGRAVE.

## CONGRESS MAY ADJOURN

WITHIN THREE WEEKS. Washington, June 4.—At a conference today between Representative Mann of Illinois and Senators Aldrich, Elkins and Crane, it was suggested that the House might accept the senate amendments to the railroad bill and a conference be avoided. If this course is taken it would permit of the adjournment of congress within three weeks.

## RECEIVER FOR JONES DRY

GOODS CO, KANSAS CITY. Kansas City, Mo., June 4.—Receiver for the Jones Dry Goods Company, one of the largest retail general merchandise concerns in this part of the west, were appointed by the federal court today.

The liabilities are placed at one million, four hundred thousands dollars and the assets at more than two millions. The receivers stated that the company was solvent and business would be continued without interruption.

The court action was taken following the filing of a bill in equity by Hollingshead & Campbell of New York, note brokers, who held two notes of five thousand each. The petition asserts that the business was poorly managed. The immediate cause of the receivership is given as poor business, resulting from unfavorable spring weather. The principal creditors are eastern firms.
